

Accessibility

Eveoh aims to make MyTimetable as accessible as possible following the [Web Content Accessibility Guidelines version 2.1 AA standard](#).

Register of accessibility issues

An up to date register of accessibility issues is available at <https://eveoh.sharepoint.com/:x/s/development/EQt9kBxL35BBpFUJDJYumhABU5vrEmiFhUj93yD7FKAWNw?e=7voAYL>.

Accessibility statement

MyTimetable contains a generic accessibility statement. An example can be found at <https://demo.eveoh.nl/accessibility>.

Customers are responsible for providing a full accessibility statement, if local legislation requires this. Eveoh is not able to provide a full accessibility statement due to differences in local requirements.

A link can be configured to a full accessibility statement. Please contact [support](#) for more information.
